This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Yellow Cab of Anderson, Inc. (the Applicant) filed July 7, 2008, whereby the Applicant seeks approval of an amendment to Class C Certificate of Public Convenience and Necessity No. 6318-A. The Applicant requests approval of a change in the scope of authority of such Certificate. A review of the docket file reveals that the Applicant was granted authority to operate under a Class C Certificate of Public Convenience and Necessity pursuant to Commission Order No. 94-488, dated January 28, 2008, (Docket No. 1994-286-T) and as amended by Commission Order No. 2000-227, dated March 6, 2000 (Docket No. 2000-96-T).

Currently, the Applicant's authority to provide passenger service (Certificate No. 6318-A) reads as:

...to furnish passenger service...as follows:

From: Anderson County, South Carolina ...

The Applicant requests to amend the scope of operating authority to statewide.

Based upon review of the matters asserted in the present request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 6318-A of Yellow Cab of Anderson, Inc. by changing the scope of operating authority thereon from Anderson County, South Carolina to between points and places in South Carolina be, and hereby is, approved.

2. That said approval is for a change in the area to be served as authorized by such Certificate, but does not otherwise authorize any change in the operation of the regulated services.

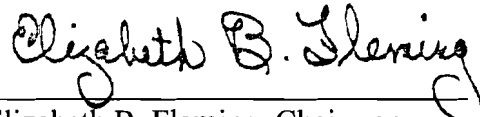

3. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendment approved herein.
